

**SASHT KZN**  
**Therapeutic Management of Elbow  
Conditions**  
**16-17 March 2019**  
**Presenters: Jessica Anne Lund**  
**13 CPD Points (Applied for)**

**A workshop presented for Therapists working with upper extremity conditions by  
SASHT  
(South African Society of Hand Therapists)**

The workshop of the Therapeutic Management of Elbow Conditions will focus on the anatomy and the functional biomechanics of the elbow. It will present both theory and training in palpation of the elbow as well as subjective and objective evaluation of the elbow. Elbow pathology and intervention strategies will be covered during the course of the workshop.

**Workshop Date:** 16 - 17 March 2019 (Saturday and Sunday)

**Register By:** Friday; 1 March 2019 (Last registration @ 12h00).
